

CM5005-REAR

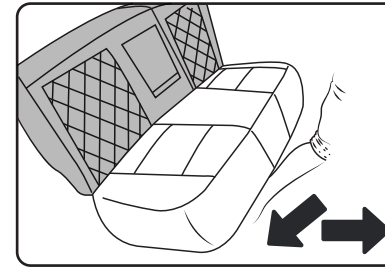

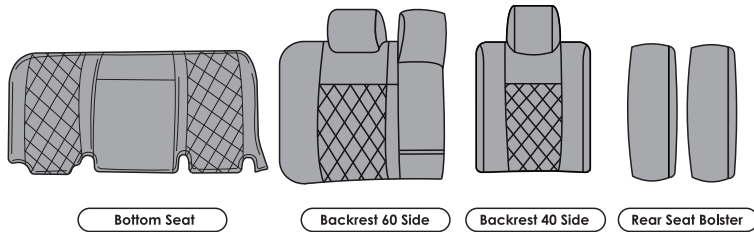

Product details are available at <https://www.fhgrouppauto.com/product/toyota-camry/>

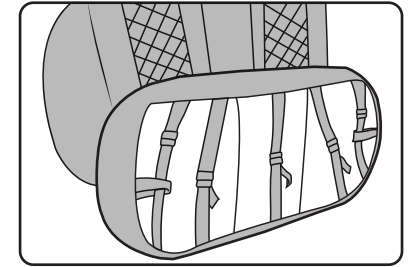

PACKAGE INCLUDES

Warning

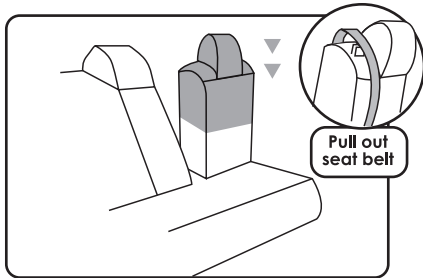

- Machine wash cold, delicate cycle. Air dry only.
- Avoid sharp objects to protect covers from being scratched/damaged.
- We suggest wearing protective eyewear and gloves during installation.

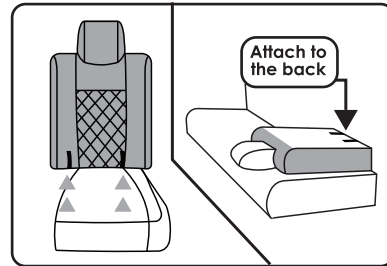

- 5 Remove the bottom seats by pushing diagonally inward then pulling the bottom bench seat cushion up and out.

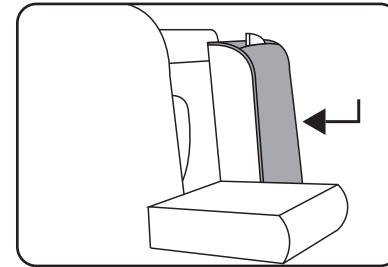

- 6 Place the bottom seat cover on the bench seat cushion and attach the buckles as shown above. Once complete, reattach the bottom bench seat cushion to the vehicle.

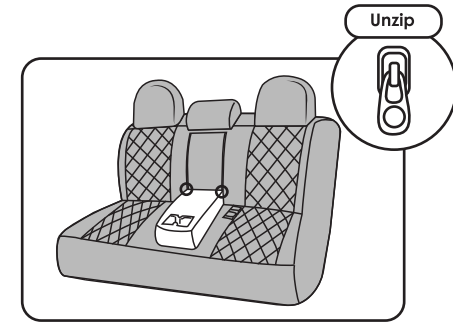

- 1 To start, split the 40/60 car seats. Afterwards, pull out the seat belt and place the Backrest 40 side cover over the 40/60 split.

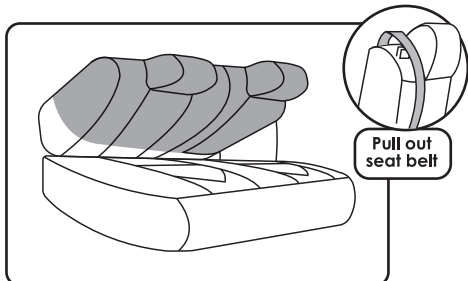

- 2 For the backrest 40 side, pass the hook-and-loop straps which are indicated by the arrows through the crevice of the seat. We recommend you split the car seat and attach it to the back of the seat as illustrated above.

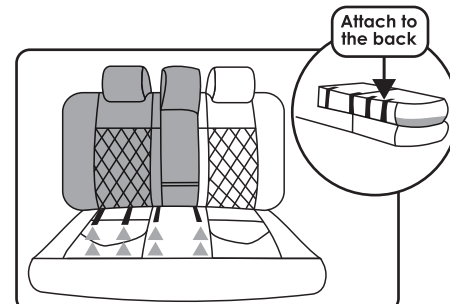

- 7 Attach rear seat bolsters to each side of the backrest.

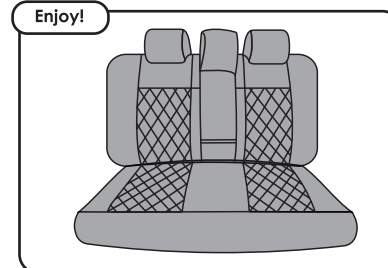

- 8 To gain access to the rear center console, please unzip the zipper provided.

- 3 For the backrest 60 side, split the seats and place the seat cover over the car seats. Note, make sure you pull out the seat belt.

- 4 Push the rear hook-and-loop straps through the seat crevice. Attach the straps directly to the upholstery of the backseats.

- 9 Adjust accordingly, smooth out your custom-fit seat covers, and enjoy!
